three days before christmas in 1831 frankie silver killed her husband charles silver with an axe and burned his body in the fireplace author perry deane young whose ancestors were involved in the case began collecting material about it as a teenager as a college

student he was astounded to learn that most of what he had been told was actually false abused by her husband frankie killed in self defense the laws of that time would not allow her to take the stand and explain what happened she was unjustly hanged in july of 1833 young proves the real crime is the way this poor woman has been misrepresented by balladeers and historians all these years perry deane young provides important historical background to this fascinating story young is able to build suspense even for a story many of his readers may already know by personalizing both frankie silvers story and his own search for it young has given readers an interesting and well written book about history and the way it is created lynn moss sanders in appalachian journal most of my life ive heard stories about a pretty mountain lady who was hanged for nothing more serious than murdering her husband here and i can say at last after one and a half centuries is the true account thoroughly researched and beautifully presented its a highroad journey into this appalachian mystery john ehle author of the land breakers the road the journey of august king

the untold story is a depiction of a chosen people who civilized the continents of africa and asia these chosen people were ethiopians there are five central characters in this book enoch noah mooses abraham and jesus christ the untold story provides a vivid and accurate account of a chosen people who were specifically selected by god to be his people to live accordantly to his will but failed to live up to his expectations this eventually caused a deportation out of their land in israel and parts of africa they are now scattered throughout the world this book also provides a history of the many nationalities that make up the world as you see it today the history of religions and who started them and lastly the anti christ you will find that this book will challenge the mind to know more of man s origin and one s family tree this book will be helpful in both churches and schools

the untold story of the alphabet by chloe jon paul the untold story of the alphabet is a study guide to help children and adults with english as a second language as well as educators who work with them explore the wonderful world of words discover how well you will read write and speak with help from this guidebook

although once derided as an insignificant office the vice presidency in the last forty years has witnessed an increase in stature prominence and influence emerging from

the shadows focuses on explaining variation in vice presidential influence over time with an assumption that all vice presidents in the modern era have the capacity to exercise influence this study is the first of its kind to ascertain the true nature of vice presidential influence and the consequences of changing interpersonal situational institutional and electoral dynamics on that influence using in depth interviews and archival research these four dynamics as richard m yon demonstrates provide a model by which to understand the fluidity of vice presidential influence which in turn enables more precise analysis of the vice presidencies of nelson rockefeller walter mondale george h w bush dan quayle al gore dick cheney and joe biden

whilst the gene editors is written through the eyes of a fictional character it is based on the cumulative result of 4 years independent research into biotechnology genetics and genomics the creation of the world s first gene edited babies infectious diseases and the origins impact and legacy of the covid 19 pandemic

a new transformative history in tudor times there were black people living and working in britain and they were free this is history on the cutting edge of archival research but accessibly written and alive with human details and warmth david olusoga author of black and british a forgotten history a black porter publicly whips a white englishman in the hall of a gloucestershire manor house a moroccan woman is baptised in a london church henry viii dispatches a mauritanian diver to salvage lost treasures from the mary rose from long forgotten records emerge the remarkable stories of africans who lived free in tudor england they were present at some of the defining moments of the age they were christened married and buried by the church they were paid wages like any other tudors the untold stories of the black tudors dazzlingly brought to life by kaufmann will transform how we see this most intriguing period of history shortlisted for the wolfson history prize 2018 a book of the year for the evening standard and the observer that rare thing a book about the 16th century that said something new evening standard books of the year splendid a cracking contribution to the field dan jones sunday times consistently fascinating historically invaluable the narrative is pacy anyone reading it will never look at tudor england in the same light again daily mail

an entirely original account of the life of gregory rasputin that goes beyond legend myth and misunderstanding to reveal the tragedy of the peasant who befriended the tsar and

the empress healed their son and helped to bring down the russian empire in fuhrmann s skilled hands rasputin becomes a vital and exciting human being not just a symbol of dissolution and sexual excess the author considers a number of fundamental questions how did rasputin heal the tsarevich s bouts of haemophilia what were his mysterious religious teachings how great was his power in the russian state what was the secret of his appeal to women were foreign agents involved in his murder fuhrmann also lays to rest an old question that still fascinates many people does rasputin s murder suggest that his mystical powers included some mysterious ability to resist death no one intrigued by the last years of imperial russia will want to miss this book this vivid briskly written biography brings to life one of the most colorful and sinister figures in modern russian history publishers weekly a vivid if not lurid portrayal boston globe extremely well written concise and as promised in the foreword he leaves the reader to draw their own conclusions alexander palace forum

first published to celebrate faber s 90th anniversary this is the story of one of the world s greatest publishing houses a delight for all readers who are curious about the business of writing a striking drama sunday times never less than fascinating daily telegraph this book will fascinate anyone with an interest in twentieth century literature a treasure trove scotsman the details here do consistently shine new york times ingeniously compiled charming and quirky evening standard told in its own words this is the story of one of the world s greatest publishers capturing the excitement hopes and fears of the people who published and wrote the books that line our shelves today including archive material from t s eliot samuel beckett seamus heaney p d james kazuo ishiguro and philip larkin this is both a vibrant history and a hymn to the role of literature in all our lives
