a growing number of women suffer from chronic health disorders that seem to defy treatment with problems ranging from

vaginitis to migraines and depression now hope is at hand in the completely revised and updated the yeast connection and women s health included is vital information on prescription and nonprescription antifungals lifestyle changes dietary modifications and nutritional supplements all presented in easy to understand language with real examples of women who restored vibrant health to their lives

you try to win her over but she looks at you and tells you that you re her best friend at first she may have been attracted to you and wanted to get to know you better but at some point you took a wrong turn that led you into the friend zone when you find yourself being rejected it s hard to continue feeling enthusiastic about that woman just because a woman isn t interested in you or attracted to you at first doesn t mean she won t fall in love with you in the future to convince a woman that you are the right man for her you cannot use logic what you need to do is change your approach when it comes to making a girl who seems uninterested fall in love with you logic does not work she has to feel an attraction that she cannot explain with logic if you want a woman to fall in love with you you need to understand what makes her feel that way and provoke that kind of feeling in her you need to understand what makes a girl fall in love with you so that your actions bring her closer to you instead of pushing her away every man wants to have that secret ingredient that would make any woman fall madly in love with him but sometimes it s an impossible mission because the woman you want isn t interested in you to help you in this book i will reveal techniques methods and strategies to make a woman fall in love with you whether you are already in a relationship with her or are still in the seduction phase you need to use the right methods to get into her mind and heart most men don t understand how a woman falls in love and what it takes to connect with her emotionally in this book i will reveal the secrets to winning a woman s heart and how to create an emotional bond with her follow these techniques and you ll see how easy and fun it can be to make a girl fall in love with you when a girl is indecisive confused doesn t know what she wants and has doubts and fears about the relationship there are steps you can take instead of making mistakes and pushing her away it s better to use effective methods that will help you turn an indifferent woman into a woman in love in this book you ll discover the right techniques and strategies to make a woman fall in love with you here s what you ll find in the book how to deal with a girl who is indecisive confused and doesn t know what she wants how to tell if you re more than a friend to a girl when is it worth trying to win a woman over how to make a woman fall in love with you when she only sees you as a friend how to turn a friendship into attraction how to build a strong seduction how to attract a girl who doesn t return your interest how to win over a girl who seems indifferent how to attract a woman without seeming too pushy and available how to win over a woman who plays hard to get how to make a woman dependent on you how to make a girl fall in love with you when she s confused indecisive and doesn t know what she wants 15 reasons why women fall out of love how a woman falls in love 8 things a woman needs to fall in love how long does it take for you to fall in love how does a woman behave when she s in love 6 mistakes that prevent a woman from falling in love tips for taking control during the seduction phase how to make a woman jealous to increase

attraction why is a woman emotionally unavailable love shouldn't make you suffer how to flirt with a woman via text what makes a man more attractive what do women want to fall in love how to create an emotional connection with a woman discover the mistakes that a man in love makes how to make a woman want only you how to show a woman that you're the right man for her

drawing on the insights of ecology feminism and socialism ecofeminism's basic premise is that the ideology that authorizes oppression based on race class gender sexuality physical abilities and species is the same ideology that sanctions the oppression of nature in this collection of essays feminist scholars and activists discuss the relationships among human beings the natural environment and nonhuman animals they reject the nature/culture dualism of patriarchal thought and locate animals and humans within nature the goal of these twelve articles is to contribute to the evolving dialogue among feminists ecofeminists animal liberationists deep ecologists and social ecologists in an effort to create a sustainable lifestyle for all inhabitants of the earth among the issues addressed are the conflicts between green politics and ecofeminism various applications of ecofeminist theory the relationship of animal liberation to ecofeminism harmful implications of the romanticized woman/nature association in western culture and cultural limitations of ecofeminism in the series *ethics and action* edited by tom regan

this paper reviews how women in the developing world access and use information and communication technology ict it examines the discourse and controversies surrounding the digital gender divide including links to poverty and illiteracy major themes concerning women and icts are explored such as women in the ict workforce how girls and women relate differently to ict and opportunities and barriers for women in science and technology in general current research relating to gender and ict is often country specific and is more prevalent in developed countries than in developing countries this paper suggests where additional research is needed on barriers to women's entry and access to ict the overall objective of this paper is to influence policy dialogue around women and ict for development by raising awareness of the digital gender divide economic opportunity for women in ict will not be realized until policies address gender considerations and ensure that ict investment contributes to more sustainable and equitable development

books about sports even those written by scholars are frequently little more than hagiography they extol the virtue of athletics for participant and spectator alike of greater rarity are those that look critically at the political social economic and psychological underpinnings of contemporary sports violence in sports is among the relatively neglected issues of serious study sports violence is perhaps the first collection of scholarly theory and research to examine in detail aggression within and surrounding sports as such it seeks to present the broadest possible range of interpretations and perspectives the book is

therefore both interdisciplinary and international in scope two chapters by guttmann and vamplew are concerned with historical analyses of sports violence definitions and perspectives on aggression in general and sports related aggression in particular are the topics of chapters 4 through 7 by smith bredemeier mark bryant and lehman and mummendey and mummendey here a wide variety of social and psychological theories are brought to bear on the conceptualization of aggression on the playing field and in the stands dunning and liischen both sociologists of sport examine the origins structure and functions of violence of sports and of their interconnections psychological interpretations and research are presented in chapters by russell and keefer goldstein and kasiaz while bryant and zillmann examine the portrayal and effects of aggression in televised sports

this collection brings together contributions which address issues and debates within contemporary women s studies and feminism the variety of feminist perspectives which emerge reveal the extent to which the diversities of women s experiences continue to reshape feminist knowledge and politics

a wonderfully readable study of the importance of human connection and how we form intimate relationships from two pioneering psychiatrists psychiatric times in the healing connection best selling author jean baker miller m d and irene stiver ph d argue that relationships are the integral source of psychological health in so doing they offer a new understanding of human development that points a way to change in all of our institutions work community school and family and is sure to transform lives

why are there pronounced gender differences in rates of criminal victimization does gender influence the response of the criminal justice system and other parts of the community to offenders and to crime victims what part does gender play in the etiology of illegal activities committed by both males and females understanding gender crime and justice takes a contemporary look at such questions and considers areas that are often neglected in other books on gender crime and justice in the last three decades there has been an explosion of theory and related research relevant to gender crime and justice author merry morash a well known feminist scholar in the field of criminal justice acquaints readers with key breakthroughs in criminological conceptualization and theories to explain the interplay between gender and both crime and justice understanding gender crime and justice pays especial attention to race ethnicity and immigrant groups and provides a unique comparative perspective key features includes first person accounts from crime victims workers in the justice system male lawbreakers and women engaged in prostitution to give insight into a diversity of experiences and standpoints parallels the effects of gender and sexual orientation in laws in patterns and causes of victimization and in the responses of the justice system to both victims and offenders integrates international examples to place u s experiences in a comparative perspective

and to show gender inequities on a worldwide scale provides numerous photos unique for a text of this type to portray people of all sorts in various regions of the world includes site recommendations for further exploration of chapter topics understanding gender crime and justice is an ideal textbook for undergraduate and graduate courses that focus on women and criminal justice the book is also a valuable asset for gender courses in sociology and for women s studies programs

women thrive on connection and research studies continue to show that we are happier and healthier when we share close connections with other women in this engaging combination of personal anecdotes scientific research and therapeutic advice you ll learn why connection communication and intimacy are the three pillars of healthy friendships how friendship between women leads to longevity health happiness and well being why some friendships are only for a specific season or reason how the olson friendship framework can help you understand the levels of all your friendships from casual to intimate tips for nurturing your current friendships and creating new ones each chapter also includes a list of thought provoking discussion questions that will help you further examine the heart and soul of your own friendships with women the healing power of girlfriends will help you avoid toxic friendships understand the role expectations play in women s friendships and learn how power dynamics can hurt or heal these special relationships
